The Tornado Alley Chapter of IFGS (was East Central Oklahoma) has requested our help in running a mini-game recruiting event at IzumaCon (in Oklahoma City, Jan 6-8, 2017) on Friday evening. Eight people have volunteered so far, including Patrick McGehearty, John Jones, and Olan Knight. The current plan is to carpool, leaving around 3pm on Friday to get there before 7pm to allow time to set up and run the event Friday evening. Most are planning to return sometime Saturday.

The Director of Weatherford Parks and Recreation, Michael Howard, asked if we were interested in hosting a large LARP convention at Camp Holland. Parking at nearby schools and shuttle buses could be arranged. We could contact other groups such as Airsoft, Nero, other larps plus vendors to see if there was interest. The effort to put on such an event would likely replace that of a major game but could provide going benefits and recruitment. Perhaps during July/August when it is too hot to run a full scale game? A project for future consideration.

The next board meeting will be the 2<sup>nd</sup> weekend of January 2017 by Skype. Interested members should contact David Spence to be added to the call.
