On June 21<sup>st</sup> there will be a weapon tournament 'Instructional' game held at the Weatherford location. In addition to the standard weapons tournament for gold we will be holding a series of scenarios to help novices and anyone who is playing a class new to them. There will be experienced players assisting, not just NPC'ing.

After the scenarios, we will run the mini-game 'Quest for the Druids Staff' if there are enough people in attendance who have not played the game already.

Don't forget to bring swim trunks; it will be a hot day and the pool will be open. Everyone is welcome to hang out into the evening hours.
