Raid on Rylanor – The Rescue of Brightmoon

Deepond the Navarro shaman has finally located Princess Brightmoon and war parties are being formed to rescue her.

- There will be three games, Low, Mid, and High. Players are expected to NPC in the games that they are not playing in.
- These are Risk 7-8 and teams will form on game day.
- New class specializations, Optional Character Rules, Bard class, bleed out rule and PC fairness are in effect.
- What each team does will affect the next team, all games are tied together!

Underwater Rules in effect (Full list will be posted on game day):

- Lightning damage is split between everyone in the area,
- Fire just does not work underwater,
- Swinging weapons have damage reduced due to water resistance,
- Spears, crossbows, bows do normal damage,
- Underwater characters (sea-elves etc.) are not affected by above,
- Players can Leap based on their armor due to weightlessness underwater.
