MENTOR GAME

A Novice Training game

The mentor game is a chance to play multiple characters on a series of line courses. The game will run various line courses to allow people to play classes they are not familiar with without having to create a new character. Games will be under the direction of an experienced player in that class. The course will be run for the following groups:

- Martial: Fighters and Knights
- Finesse: Monks, Thieves and Rangers
- Magical: Clerics, Druids and Magic Users

Check in is at 8:30AM

There will be various other events taking place during the line courses

If we have enough time left, we will run "The Ring" for low level characters to play

Any character may play but line courses are for new characters.

Yes, an experienced player can play a new PC to test out a class they are not familiar with.

LOCATION: HOLLAND PARK CAMPGROUND
